

- **Travel Documentation and Baggage**
- **Prohibited and Dangerous Goods**
- **Sporting Weapon**

Travel Documentation and Baggage

Travel Documentation

- Immigration visas and passport validity are the responsibility of the individual passengers.
- Non US Citizens must hold a valid US Visa.

Baggage

- Passenger baggage weight is limited for flight safety reasons and varies between aircraft type. Items determined by the Captain to be excessive weight or size will not be permitted on the aircraft.
- Please check with Initium Aviation in advance.

Prohibited and Dangerous Goods

- Prohibited and / or Dangerous Goods must not be carried on board aircraft operated by Initium Aviation and its agents.
- Initium Aviation Spain does not have approval from the Authority to carry dangerous goods, therefore the transport of dangerous goods is prohibited on board TAG
- Items that cannot be carried on the plane:

- **Detonators with pistons**
- **Alkalis and corrosives**
- **Fireworks**
- **Torches**
- **Batteries**
- **Compressed gases**
- **Flammable liquids and solids**
- **Paintings**
- **Poisons**
- **Corrosives such as mercury, acids, alkalis and wet electric storage.**

- **Compressed gases (Deeply refrigerated, flammable, non-flammable and poisonous) such as butane, oxygen, propane and compressed air bottles for diving.**
- **Oxidizing materials and organic peroxides such as bleaches and fiberglass repair boxes.**
- **Flammable liquids and solids such as lighters or caloric fuel, matches, paints, are not permitted in baggage.**
- **Guns and explosives such as pistols, automatic weapons, ammunition (including blanks), detonators, fireworks, flares, firecrackers and similar.**
- **Poisons such as insecticides, herbicides, arsenic and cyanide.**
